

Grand Portage National Monument (GRPO)

Species Checklist

This species list is a work in progress. It represents information currently in the NPSpecies data system and records are continually being added or updated by National Park Service staff. To report an error or make a suggestion, go to <https://irma.nps.gov/npspecies/suggest>.

Scientific Name	Common Name
Reptiles	
Squamata/Colubridae	
<input type="checkbox"/> <i>Thamnophis sirtalis</i>	Common Garter Snake
Testudines/Chelydridae	
<input type="checkbox"/> * <i>Chelydra serpentina</i>	common snapping turtle, Snapping Turtle
Testudines/Emydidae	
<input type="checkbox"/> * <i>Chrysemys picta</i>	Painted Turtle
Amphibians	
Anura/Bufonidae	
<input type="checkbox"/> <i>Bufo americanus</i>	American Toad
Anura/Hylidae	
<input type="checkbox"/> <i>Hyla versicolor</i>	Gray Treefrog
<input type="checkbox"/> <i>Pseudacris crucifer</i>	Spring Peeper
<input type="checkbox"/> * <i>Pseudacris maculata</i>	Boreal Chorus Frog
Anura/Ranidae	
<input type="checkbox"/> <i>Rana clamitans</i>	Green Frog
<input type="checkbox"/> <i>Rana pipiens</i>	Northern Leopard Frog
<input type="checkbox"/> <i>Rana septentrionalis</i>	Mink Frog
<input type="checkbox"/> <i>Rana sylvatica</i>	Wood Frog
Caudata/Ambystomatidae	
<input type="checkbox"/> <i>Ambystoma laterale</i>	Blue-spotted Salamander
Caudata/Plethodontidae	
<input type="checkbox"/> <i>Plethodon cinereus</i>	eastern red-backed salamander
Report Species Count: 13	

*Documented occurrences of the species in the park or in the adjoining region of the park give reason to suspect that it probably occurs within the park; however, current, verifiable evidence is needed.

Grand Portage National Monument (GRPO)

Species Checklist

The species listed here are assumed to be 'present in park.' Evidence, in the form of a current, verifiable reference, voucher or observation, is included in the NPSpecies data system or is readily available. Those species marked with an asterisk have the designation of 'probably present,' and efforts are underway to obtain current, verifiable evidence to elevate the status to 'present in park.'
